# Veterans Resource Expo

November 12, 2009 | 10:00 TO 12:00 PM

Orleans Technical Institute, 2770 Red Lion Road, Philadelphia 19114

"As Americans we have a solemn responsibility to honor and respect our veterans, soldiers, and their families for their service. In Congress, I work every day to ensure that our soldiers and veterans are provided with meaningful benefits that reflect the tremendous sacrifices they have made in order to serve. To help answer questions veterans, soldiers, or their families may have concerning the wide range of benefits and services available, on Thursday, November 12th I will be hosting a Veterans Resource Expo in Northeast Philadelphia featuring more than 20 national and local organizations. I and my staff, as well as representatives of federal agencies and non-profit organizations, will be on hand to provide one-on-one information and resources on employment and training, small business, and benefits assistance. I look forward to meeting you to thank you for your service and hearing directly from you on your concerns as a veteran or about any other issues that may be on your mind."
